Subject: Forward: Reminder: Kindly disseminate or upload this announcement via website/Letter/official channels to all the faculty, students, and officials, inviting their active participation in the Winter Internship & Technical Training Program.

आदरणीय महोदया/महोदय, Respected Sir/Madam,

This is a gentle reminder regarding the Winter Internship Technical Training Programme being organised by India Space Lab for undergraduate and postgraduate students, as well as research scholars from recognised universities and institutions in India and abroad.

"Kindly disseminate and upload this announcement via website/ Letter/ official channels to all the faculty, students, and officials, inviting their active participation in the Upcoming India Space Lab: Winter Internship & Technical Training Program.

We encourage you to read more about the Hon'ble Prime Minister's thoughts on India's remarkable space journey in his Mann Ki Baat program in August 2024, where he shared his thoughts on India Space Week and its significance and appreciated its contribution.

Following the notice issued on December 8, 2023, regarding the online meeting on "Viksit Bharat @2047: Voice of Youth," referenced as F.1-1/2023(secy/ViksitBharat@2047), we are pleased to announce that the Prime Minister has launched "Viksit Bharat @2047" on December 11, 2023.

The Government of India, under the visionary leadership of Hon'ble PM Shri Narendra Modi, has initiated groundbreaking reforms in the space sector. These reforms aim to promote and advance space education, research, and development in our country. Following the successful of India Space Week & National Space Day event held in August, 2024 and an Advanced Drone workshop /Internship Technical Training Programme /Cyber Security Awareness Program/Astronomy and Astrophysics/Space Entrepreneurship/ Disaster management/ conducted across universities and official Departments. In continuation, The India Space Lab has launched a Winter internship technical training program - 2025 for all (Space Education & Employment).

Upcoming India Space Lab: Winter Internship & Technical Training Program.

About Winter Internship :

Undergraduate and postgraduate students and research scholars in recognized universities or institutions in India and abroad can apply for the India Space Lab Winter Internship. Participants will work closely with various verticals, divisions, and cells of Space and receive training in Drone Technology, CanSat and CubeSat (Student Satellite), Rocketry, Remote Sensing (GIS), Disaster Management.

The Winter internship has a total of **1045 available seats**. Selection shall be conducted on first come first basis.
